Organiser Events

One World, One Planet. (TBD)

If the world
is the one country (planet)

Held every day after sunset during the Expo

A moment of hope connecting from all over the world, where the sound and video equipment of the entire venue, as well as visitors' devices held, interlock and light up like the cells of a single large living creature.

THE HUMAN ORCHESTRA (TBD)

The future orchestra
in which every person's individuality plays

Scheduled to be held in the EXPO Hall
for about 8 days from the opening day of the Expo

Each individual, with their diverse personalities, plays their own unique and original sound, and by recognizing and resonating with each other's differences, they become one beautiful orchestra of the future.

*Note: The above two are currently preliminary plans for the main events (proposals). Details will be announced separately. Event content is subject to change.
